Fifty-third session
Agenda item 62
QUESTION OF CYPRUS

SECURITY COUNCIL
Fifty-fourth year

Letter dated 18 May 1999 from the Permanent Representative of Cyprus to the United Nations addressed to the Secretary-General

Upon instructions from my Government and further to my letter dated 14 May 1999 (A/53/959-S/1999/565), I have the honour to draw your attention to new violations of the flight information region (FIR) of Nicosia and the national airspace of the Republic of Cyprus by military aircraft of the Turkish Air Force, recorded on 14 and 16 May 1999.

On 14 May 1999, 17 military aircraft of the Turkish Air Force (12 F-16, 3 C-160, 1 CN-235, 1 B-200) entered the Nicosia FIR, violating international air traffic regulations.

The 12 F-16 aircraft violated the national airspace of the Republic of Cyprus flying over the area of Karpasia, before returning to the FIR of Ankara.

The 3 C-160 aircraft violated the national airspace of the Republic of Cyprus flying over the area of Karpasia, before exiting in a south-easterly direction.

The CN-235 violated the national airspace of the Republic of Cyprus flying over the area of the Cape of Apostolos Andreas, before returning to the FIR of Ankara.

The B-200 violated the national airspace of the Republic of Cyprus flying over the area of Mesaoria. The aircraft in question landed at 1332 hours at the illegal airport of Tymbou in the occupied area of the Republic, whence it departed at 1446 hours, returning to the FIR of Ankara.

On 16 May 1999, four F-16 military aircraft of the Turkish Air Force entered the Nicosia FIR, violating international air traffic regulations. The aircraft in question violated the national airspace of the Republic of Cyprus flying over the area of Karpasia before exiting in a south-easterly direction.

As stated in my previous letters, these Turkish unauthorized intrusions into the Nicosia FIR and the national airspace of the Republic of Cyprus are in violation of international air traffic rules and, at the same time, they are in contravention of the provisions of the Security Council resolutions on Cyprus.

On behalf of the Government of the Republic of Cyprus, I wish to strongly protest these new provocative acts by Turkey, which demonstrate once more Turkey's blatant disregard of international law, the Charter of the United Nations and all the relevant decisions of the Organization on the question of Cyprus.

I would like once again to underline that the present violations occurred after the adoption of Security Council resolutions 1217 (1998) and 1218 (1998), in which the Council called upon all States to respect the sovereignty and territorial integrity of the Republic of Cyprus and to refrain from any action which might prejudice that sovereignty, independence and territorial integrity. My Government expects that the Turkish side will show compliance with the provisions of those resolutions.

Such provocative actions are not conducive to reducing tension and run counter to the initiative of the Secretary-General announced on 30 September 1998, within the framework of his mission of good offices, with the goal of reducing tensions and promoting progress towards a just and lasting settlement in Cyprus.

Furthermore, the continuing overflights by the Turkish Air Force, as well as the presence of the Turkish military occupation forces on the island, constitute the underlying causes of tension in Cyprus.

I should be grateful if you would have the present letter circulated as a document of the General Assembly, under agenda item 62, and of the Security Council.
